END USER STATEMENT

1. We understand and do hereby certify that no item/article purchased will be used for or in the design, development, or production of items, or directly or indirectly for purposes associated with terrorism support, nuclear, missile, and chemical and biological weapons or proliferation activities, nor will they be resold if we know or suspect that they are intended or likely to be used for such a purpose.
2. We certify that we will not sell, export, re-export, divert, transship, or otherwise transfer any of these items/articles, technology, or technical data to any embargoed entity or to any entity or country subject to U.S. government approval unless otherwise authorized by the U.S. Government.
3. We acknowledge that United States law prohibits the sale, export or re-export, diversion or transfer, or other participation in any export transaction involving these items/articles with individuals or companies listed in the various entity lists, including but not limited to U.S. Commerce Department's Denied Persons List (DPL), the Entity List, or the Military End-User (MEU) List, the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of State's list of individuals debarred from receiving Munitions List items and other applicable lists. We certify that we will not re-sell to anyone engaged in any prohibited activity and that we have no knowledge or information of activities or involvement of or by denied parties, specially designated nationals, or entities appearing on these lists, nor to any entity that is at least 50 percent owned by one or more entities on the Entity List or the Military End-User List.
4. We certify the items/articles on the referenced Purchase Order are for delivery to the entities and the end-user stated above. We will abide by all applicable United States laws including but not limited to the Export Administration Regulations (Part 744) and the U.S. International Traffic in Arms Regulations (Parts 120-130), as well as destination country export/import control laws and regulations for all items/articles purchased from Blue Raven. Except as specifically authorized by prior written approval of the United States Departments of State or Commerce, Office of Foreign Asset Controls (OFAC), or other applicable Federal Government Agencies, we will not re-export, resell, or otherwise transfer or dispose of these items/articles, technology or technical data outside the country to any person, including the end-user, if there is reason to believe that it will result, directly or indirectly, in disposition of the items/articles contrary to the representations made in this certificate by any party. We further certify that all the facts contained in this certificate are true and correct to the best of our knowledge and belief. We do not know of any additional facts that are inconsistent with this certification. The undersigned certifies and agrees they will inform us promptly of any change in the information provided in this certification, and confirms all details provided therein as valid, effective, and binding on the Company.
